Harvest)

Three blue perforated plastic bins are stacked vertically. Each bin contains several blue mesh bags filled with oysters. Small white labels are attached to the bags. The bins are situated in a storage room with cardboard boxes stacked in the background.

A blue perforated plastic bin in the foreground, filled with blue mesh bags of oysters. Two white labels are visible on the bags. The bin is illuminated by bright light from the right, casting a strong shadow on the floor.

Three cardboard boxes are stacked vertically on the right side of the image. Each box features a "Safe Handling Instructions" label. The labels include a logo with the letters "KVO" and detailed text regarding handling procedures. Sunlight from the right casts long shadows across the boxes.
