

Commercial Striped Bass Industry Workgroup

IFQ Workshop

Calvary United Methodist Church

301 Rowe Boulevard
Annapolis, MD 21401

Around the corner from the Tawes Building

Parking: Due to a Navy Game at the Stadium that day, parking will be available in the Upper Lot (on top of the hill). If you don't want to walk to the church, there is a trolley that can pick you up by the gate and drop you off next to the church parking lot.

Draft Meeting Agenda: November 15, 2012

At the end of the meeting, Workgroup members will have:

- Discussed and re-affirmed a number of IFQ design elements such as, program goals, the resource and area of focus, eligibility requirements, and quota/share transferability.
- Participated in small group discussions with DNR staff on the topics of Initial Allocation, Quota and Share Transfer Rules, and Management and Regulatory Flexibility.
- Discussed the results of the small group discussions and provided DNR with feedback for designing the IFQ management system. Renowned
