

Legislation 2011 – 3/14/11 Update

HB 111 - Department of Natural Resources - Fishing - Regulatory Authority

(Hearing 2/9/11 at 1pm) Environmental Matters

This bill establishes broad regulatory authority for the Department to define the manner, methods and means of catching and possessing fish in State waters.

HB 208 - Aquaculture – Shellfish Leasing Areas- Expansion

(Hearing 2/23/11 at 1pm) Environmental Matters

This bill serves to correct minor references and text and removes text that were made obsolete by Senate Bill 271/House Bill 312, passed unanimously by the General Assembly in 2009. This bill makes definitions and terms consistent throughout the Fisheries Service title of Natural Resources law. This bill removes existing sanctuary leasing restrictions on bottom that are not historically charted Yates Bars.

HB 273 - Natural Resources – Oyster Poaching – Hearing – Cross-filed as SB 159

(Passed House 3/3/11; Senate Health and Environmental Affairs First Reading 3/4/11, Hearing Not Yet Scheduled)

The bill allows the Department to revoke a commercial license if that licensee is issued a citation for taking oysters more than 200 feet within a closed or prohibited area, using illegal oyster gear, harvesting oysters outside of a legal time by more than 1 hour, harvesting oysters outside of a season, and taking oysters illegally from a leased area. The bill requires the Department to revoke the license through a contested case hearing process with the Office of Administrative Hearings (OAH). This hearing is required to occur within 60 days of the receiving a citation.

HB 396 – Natural Resources – Administrative Procedures – Electronic Citations, Inspections, and Hearings – Cross-filed as SB 414

(Hearing 2/23/11 at 1pm) Environmental Matters

This bill allows the Natural Resources Police officers to issue electronic citations and provides for an acknowledgment receipt to be signed by the violator. The bill also repeals a section that requires the Department to hold a hearing before it can suspend a recreational or tidal fishing license, and replaces it with the requirement that the Department provide notice of a right to a hearing on request. If the licensee requests a hearing within the required time frame of 30 days of notice, the bill requires the Department to conduct a hearing, providing 10 days notice to the licensee. The Department may suspend the license without a hearing if the licensee does not request a hearing or if he doesn't appear for the scheduled hearing. The bill also specifies the scope of authorized inspections by the Department where a tidal fishing licensee has transferred his license, and what fishing gear may be seized if connected to a violation.

HB 966 - Natural Resources - Restricted Waters for Shellfish Harvesting - Method of Testing.

(Hearing 3/4/11 at 1pm) Environmental Matters

This bill requires the Department of Environment to use the most reliable available test to detect E.coli before determining whether to restrict or lift restrictions on areas for catching/storing shellfish.

HB 1042 - Hunting and Recreational Fishing Licenses - Issuance by Agent - Service Charge – Cross filed as SB 420

(Hearing 3/4/11 at 1pm) Environmental Matters

The bill would authorize an agent who issues angler's licenses, Chesapeake Bay and coastal sport fishing licenses, or hunting licenses to add a service charge not exceeding \$5 for each license issued.

HB 1053 – Natural Resources – Aquaculture – Cross filed as SB 847

(Hearing 3/4/11 at 1pm) Environmental Matters

This bill clarifies that DNR is responsible for employing an Aquaculture Coordinator, refines the position's responsibilities, and designates membership of the Aquaculture Review Board with the Aquaculture Coordinator to serve as chair. The bill requires Department of Environment approval before DNR may issue submerged land leases in the Chesapeake Bay or Atlantic Coastal Bays. The bill also allows DNR to issue water column leases after obtaining approval by Department of Environment, setting out certain prohibited areas for leases and providing for the means to cultivate shellfish. The bill adds water column leases to the section setting forth requirements for lease applications, and provides that DNR give notice to other interested parties of the application.

HB 1142 - Natural Resources - Atlantic Menhaden - Restrictions on Products from Reduction.

(Hearing 3/16/11 at 1pm) Environmental Matters

Prohibiting a person from manufacturing, selling, or distributing a product or product component obtained from the reduction of an Atlantic menhaden; requiring the Department of Natural Resources to adopt specified regulations in consultation with the Department of Labor, Licensing, and Regulation; and establishing a specified penalty.

HB 1154 – Natural Resources – Striped Bass and Crabs – Revocation – Cross-filed as SB 635

(Hearing 3/16/11 at 1pm) Environmental Matters

Providing that a person who receives a citation for a specified offense related to unlawfully taking striped bass or crabs may have a specified authorization revoked; requiring the Department of Natural Resources, in consultation with the Tidal Fisheries Advisory Commission and the Sport Fisheries Advisory Commission, to adopt regulations that establish grounds for the revocation of a specified authorization, including specified categories of offenses; etc.

HB 1225 – Natural Resources – Commercial Fishing Violations – Enhanced Penalties – Cross Filed as SB 655

(Hearing 3/16/11 at 1pm) Environmental Matters

Establishing specified enhanced penalties for a person who commits a specified separate commercial fisheries violation while the person's commercial fishing license or authorization is suspended or revoked or who engages in commercial fishing activities without an appropriate license or authorization; requiring that specified fines imposed under the Act be paid into the Fisheries Research and Development Fund; and clarifying specified commercial fishing violations.

HB 1238 – Department of Natural Resources – Tracking Device on Vessel – Prohibition without Court Order

(Hearing 3/18 at 1pm) Environmental Matters

Prohibiting the Secretary of Natural Resources or a Natural Resources police officer from placing or installing a tracking device on a vessel without first obtaining a specified court order; authorizing the Secretary or a Natural Resources police officer to apply for a specified court order in a specified manner; requiring a court to enter a specified order under specified circumstances; authorizing extensions of a specified order under specified circumstances; etc.

HB 1240 – Natural Resources – Right to Harvest Seafood and Engage in the Seafood Industry

(Hearing 3/18 at 1pm) Environmental Matters

Expanding the application of specified provisions to authorize counties to adopt an ordinance, resolution, or regulation to authorize a person to engage in specified activities related to the seafood industry and to harvest seafood; making other clarifying changes; etc.

HB 1244 – Patuxent River – Oysters – Use of Patent Tongs - Previously filed as HB 154/10 - ENV

(Hearing 3/18 at 1pm) Environmental Matters

Altering a specified area in the Patuxent River in which the prohibition on the use of patent tongs to catch oysters applies.

HB 1249 – Public Oyster Fishery – South River – Hand Tonging

(Hearing 3/18 at 1pm) Environmental Matters

Authorizing a person to take or catch oysters by hand tong only in specified waters of the South River in Anne Arundel County; excepting specified areas of the South River from the authorization; and providing for the application of provisions of the Act relating to fishery management plans.

HB 1252 – Natural Resources – Large-Scale Striped Bass Poaching – Penalties

(Hearing 3/18 at 1pm) Environmental Matters

Establishing that a person who commits specified fishing violations with respect to striped bass, and the violation results in the unlawful capture of striped bass worth over \$20,000 as determined by the proceeds of the unlawful capture, is subject to imprisonment not exceeding 2 years.

HB 1340 – Natural Resources - Oyster Sanctuaries - Designation – Cross filed as SB 538

(Hearing Not Yet Scheduled, First Reading House Rules and Executive Nominations 3/7/11)

Prohibiting the Department of Natural Resources from designating more than 25% of the available oyster habitat in the waters of the State as oyster sanctuaries

SB 159 – Natural Resources – Oyster Poaching – Hearing – Cross-filed as HB 273 (Passed Senate 2/25/11; House Environmental Matters First Reading 2/28/11, Hearing Not Yet Scheduled)

The bill allows the Department to revoke a commercial license if that licensee is issued a citation for taking oysters more than 200 feet within a closed or prohibited area, using illegal oyster gear, harvesting oysters outside of a legal time by more than 1 hour, harvesting oysters outside of a season, and taking oysters illegally from a leased area. The bill requires the Department to revoke the license through a contested case hearing process with the Office of Administrative Hearings (OAH). This hearing is required to occur within 60 days of the receiving a citation.

SB 188 - Recreational Fishing Licenses – Exemption for Disabled Armed Forces

Members (Passed Senate 2/25/11; House Environmental Matters First Reading 2/28/11, Hearing Not Yet Scheduled)

Senate Bill 188 allows the Department to issue a 1-day license exemption to nonprofit organization to take individuals with physical or mental disabilities fishing in tidal or nontidal waters, and requires stating the location, time, and day on the application. It also authorizes the Department to issue an annual license exemption to a government entity or nonprofit to take individuals with physical or mental disabilities in tidal or nontidal waters. The entity must submit a report to the Department by January 1 of the following year of the exemption period stating the location, dates, and number of individual exempted. Both types of exemptions cover the primary representative/caregiver of the organization or entity and require them to have in possession the letter of exemption while fishing. The bill also makes an exception to the angler's license requirement for veterans with a service-connected disability carrying a permit issued by the Red Cross, persons who are under treatment by state mental health facility, as well as the latter's caregiver requiring certain documentation.

SB 414 – Natural Resources – Administrative Procedures – Electronic Citation, Inspections, and Hearings – Cross-filed as HB 396

(Favorable w/ Amendments 3/11/11) Education, Health, and Environmental Affairs

This bill alters procedures for citations issued by Natural Resources Police officers by permitting electronic citations and providing for an acknowledgment receipt to be signed by the violator. The bill also repeals a section that required the Department to hold a hearing before it could suspend a recreational fishing, and instead requires the Department to provide notice of a right to a hearing on request. If the licensee requests a hearing within the required time frame of 30 days of the notice, the bill requires the Department to conduct a hearing and provide 10 days notice to the licensee. The Department may suspend the license without a hearing if the licensee does not request a hearing or if he doesn't appear for the scheduled hearing. The bill also specifies the scope of authorized inspections by the Department where a tidal fishing licensee has transferred his license, and what fishing gear may be seized if possessed in connection with a violation.

SB 420 – Hunting and Recreational Fishing Licenses – Issuance by Agent – Service Charge – Cross filed as HB 1042

(Hearing 3/1/11 at 1pm) Education, Health, and Environmental Affairs

The bill would authorize an agent who issues angler's licenses, Chesapeake Bay and coastal sport fishing licenses, or hunting licenses to add a service charge not exceeding \$5 for each license issued.

SB 538 – Natural Resources - Oyster Sanctuaries - Designation – Cross filed as HB 1340

(Favorable w/ Amendments 3/11/11) Education, Health, and Environmental Affairs

Prohibiting the Department of Natural Resources from designating more than 25% of the available oyster habitat in the waters of the State as oyster sanctuaries.

SB 635 - Natural Resources - Striped Bass and Crabs - Revocation - Cross filed as HB 1154

(Favorable w/ Amendments 3/11/11) Education, Health, and Environmental Affairs

Providing that a person who receives a citation for a specified offense related to unlawfully taking striped bass or crabs may have a specified authorization revoked; requiring the Department of Natural Resources, in consultation with the Tidal Fisheries Advisory Commission and the Sport Fisheries

Advisory Commission, to adopt regulations that establish grounds for the revocation of a specified authorization, including specified categories of offenses; etc.

**SB 655 - Natural Resources - Commercial Fishing Violations - Enhanced Penalties
– Cross filed as HB 1225**

(Favorable w/ Amendments 3/11/11) Education, Health, and Environmental Affairs

Establishing specified enhanced penalties for a person who commits a specified separate commercial fisheries violation while the person's commercial fishing license or authorization is suspended or revoked or who engages in commercial fishing activities without an appropriate license or authorization; requiring that specified fines imposed under the Act be paid into the Fisheries Research and Development Fund; and clarifying specified commercial fishing violations.

SB 720 - Commercial Fishing Apprenticeship Permit - Eligibility

(Favorable w/ Amendments 3/11/11) Education, Health, and Environmental Affairs

Providing that specified practical commercial fishing experience obtained in specified jurisdictions by specified individuals applies toward the requirements for obtaining a commercial tidal fishing license through the commercial fishing apprenticeship permit; requiring an apprenticeship permittee to obtain the required practical experience within 10 years before applying for a commercial fishing license or authorization; etc.

SB 847 – Natural Resources – Aquaculture – Cross filed as HB 1053

(Hearing 3/16/11 at 1pm) Education, Health, and Environmental Affairs

Making the Department of Natural Resources responsible for the employment of the State's Aquaculture Coordinator; altering the membership of the Aquaculture Review Board; authorizing the Department of Natural Resources to issue water column leases under specified circumstances; etc.
